

Safeguard Hand Sanitizer Gel

When it's convenient and simple, employees and customers are more likely to practice good hand hygiene.

Product Features

- Works on contact without water
- Contains 65% Ethanol
- Added measure of protection
- Effective weapon in the fight against cross-contamination
- Gentle enough to use repeatedly throughout the day.

Usage

Proper hand sanitizing is quick and easy.

A few simple steps to effectively sanitize your hands include: rubbing the hand sanitizer thoroughly over all surfaces of both hands and rubbing your hands together until the product is dry.

Dispensing

Packaged in a 1200 ml sealed cartridge with 4 cartridges/case. This form of packaging provides:

- Tamper-resistant to assure product quality
- Reduces risk of contamination
- Quick, hassle-free loading and replacement

The product can be dispensed from a Safeguard Manual Dispenser or from a Safeguard touch-less dispenser.
